

## **Baiting for Termite Control**

10:45am – 11:40am

This session will discuss how to bait for termite control. It will provide facts, myths, and where you as a Pest Control Expert fit in.

### **Presented By: Samantha Forrest, Corteva Agriscience**

Samantha was born and raised in Baltimore, MD; where she currently resides. She is the current Territory Manager for Corteva Agriscience, focused on the Sentricon System. Samantha's previous role was Director of Operations for Brody Brothers Pest Control, where she was involved with business strategy, development and growth. Keeping in stride with my love for the Pest Management Industry, she is also the current President of the Maryland State Pest Control Association.
