

Maryland Department of Agriculture Update

12:10pam – 12:30pm

This presentation will provide you with important regulation changes that are on the horizon. The goal of this session is to leave you with accurate and timely information to help you stay in compliance and provide you with resources during these new and unprecedented times. MDA's Pesticide Regulation team continues to adapt to changing conditions and is still open for business!

Presented By: Shweta Sharma, Maryland Department of Agriculture

Shweta Sharma is an Entomologist and the certification and training coordinator for the MDA pesticide regulation section. She recently joined MDA 6 months ago. Shweta completed her Masters in horticulture and has a PhD in Entomology from the University of Florida.
